MPF 2013 LEADERSHIP CONFERENCE ANNOUNCES KEYNOTE SPEAKER AND FINAL AGENDA

ALM's Aric Press to Address High-Level Gathering of Law Firm Leaders

Atlanta - March 6, 2013 - The Managing Partner Forum announces that Aric Press, Editor-in-Chief of American Lawyer Media, will be the Keynote Speaker at The MPF 2013 Leadership Conference, which will be held on May 9, 2013, at the Capital City Club in Atlanta, Georgia.

The Conference theme is **"Future Focus: Leading Your Law Firm to Success"** and the early registration period is now open to leaders of law firms with ten or more lawyers. [Click here to see the complete agenda.](#)

"In addition to Aric, we've confirmed a great line-up of speakers for this year's Leadership Conference, but the real 'stars' of the show are the participants themselves," explains John Remsen, Jr., President and CEO. "Over the years, we've learned that law firm leaders want to learn with and from other firm leaders. Consequently, we've developed a format that creates maximum peer-interaction among participants."

MPF programs are developed based on input from past participants and the Forum Advisory Board. The MPF Advisory Board consists of thirty-three (33) managing partners, mostly from mid-size law firms. Topics focus on issues such as firm leadership, strategic planning, compensation systems, growth strategies, and marketing and business development.

Since 2002, The Managing Partner Forum has presented twenty-two (22) law firm leadership conferences in Atlanta, Boston, Chicago, Dallas, Houston, Miami, and St. Louis. More than 775 firm leaders from 650 law firms have participated in previous programs.
